Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA. 22313-1450

**Introductory Comments**

Dear Sir:

Applicant respectfully requests that the Office take no action with respect to the Restriction Response filed April 1, 2010. In particular, Applicant submits that this Response was submitted in error and is moot since the Restriction Requirement was rescinded as set forth in the Interview Summary mailed March 31, 2010. As indicated in the Interview Summary, Applicant and the Examiner had a telephonic interview on March 26, 2010 in which it was agreed that the Restriction Requirement was withdrawn/rescinded. Nevertheless, the Response was inadvertently filed. Applicant apologizes for any inconvenience this has caused. Accordingly, Applicant submits that the USPTO not respond to the Response filed April 1, 2010 and instead act on the claims as originally presented.

If any questions remain regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

No fees are believed to be due. However, please charge any other required fee (or credit overpayments) to the Deposit Account of the undersigned, Account No. 500601 (Docket No. 7380-X04-006)

Respectfully submitted,
